

eClinicalWorks Telehealth

eClinicalWorks healow Telehealth Solutions is the largest telehealth provider in the country. The telehealth market is crowded with choices, but only eClinicalWorks delivers comprehensive solutions grounded in 20 years of experience. healow Telehealth Solutions are the smart choice for delivering care remotely. Unlike other options, healow is HIPAA-compliant, designed for healthcare providers, and fully protects your patient data. healow Telehealth Solutions work with your system, whether you use eClinicalWorks or another EHR.

healow Telehealth Solutions are just **\$2 per visit** or **\$50 for each 250-minute block of time per month**. Due to **COVID-19**, for March through June 2020, the healow telehealth solutions **package will be capped at \$100 x the number of provider(s) per month**.
